EDUCATION

Ed. D in Health Education
Minor: Community Health Science
The University of Alabama – 1994

Master of Arts in Health Education
The University of Alabama – 1989

Bachelor of Science in School Health Education
K-12 Teaching Certificate
Troy State University – 1988

**PROFESSIONAL
EXPERIENCE**

**August 1994 –
Present**

**Mississippi State University
Starkville, MS**

Professor of Health Education (August 2002 - present)

Associate Professor of Health Education (August 1998 – July 2002)

Assistant Professor of Health Education (August 1994 – July 1998)

Responsibilities: Taught undergraduate and graduate courses both on campus and through distance learning. Advised undergraduate and graduate students. Served as coordinator of Master of Science Program in Health Education/Health Promotion including both on campus and distance learning options. Developed undergraduate teacher certification coursework for health education.

Highlights:

- Taught Foundations of Health Education course
- Taught School Health Education Methods course
- Taught Basic Principles of Health Promotion course
- Taught Theory and Practice of Health Education course
- Taught Behavioral Epidemiology course

- Taught Introduction to Epidemiology and Health Science Research course
- Taught Environmental Health course
- Taught Seminar in School Health course
- Taught Personal Health course
- Taught Emergency Health Care course
- Taught Consumer Health course
- Taught Alcohol and Drug Education and Prevention course
- Coordinator for Graduate Health Education/Health Promotion program
- Developed/revised curricula and new course additions
- Served on numerous Thesis and Dissertation committees
- Served on a variety of departmental, college and university committees
- Developed and implemented distance learning program in Health Education/Health Promotion

**August 1990 –
July 1994**

**Northwestern State University of Louisiana
Natchitoches, LA**

Instructor of Health Education

Responsibilities: Taught undergraduate and graduate courses in health education. Advised undergraduate and graduate students. Developed coursework for undergraduate teacher certification program in health education as well as graduate program in health promotion.

Highlights:

- Taught Personal Health course
- Taught Emergency Health Care and First Aid course
- Taught Introduction to Health Education course
- Taught Sexuality Education Course
- Taught Alcohol and Other Drug Education course
- Taught Health Behavior course
- Taught Design and Administration of Health Promotion Programs course
- Taught Implementation and Evaluation of Health Promotion Programs course

- Developed undergraduate teacher certification program in health education
- Developed graduate program in health promotion

PROFESSIONAL ASSOCIATIONS

- American Alliance for Health, Physical Education, Recreation and Dance
- International Council for Health, Physical Education, Recreation Sport and Dance
- American School Health Association
- American Public Health Association
- American Association for Health Education
- American Academy of Health Behavior

AWARDS/DISTINCTIONS

- Health Educator of the Year, 1999
Mississippi Alliance for Health, PE, Recreation and Dance
- Co-Awardee, 2007 Outstanding Business Retention and Expansion Program, Awarded by Business Retention and Expansion International for “Enhancing the Competitiveness of the Furniture Industry in Mississippi worksite health promotion grant program
