

**Curriculum Vitae for
Brent Jonathan Fountain, Ph.D., R.D., L.D.
Associate Extension Professor, Nutrition
Department of Food Science, Nutrition, and Health Promotion
Mississippi State University
P. O. Box 9805
Mississippi State, MS 39762
bjf2@msstate.edu
662-325-0849**

Home Address and Telephone

**112 Pine Ridge Circle
Starkville, MS 39759
662-323-1991**

Earned Degrees

- Ph.D.** ***Mississippi State University. August 2004.***
Major: Nutrition
Minor: Agricultural Information Sciences and Education
Dissertation Research: Factors of overweight in children 6-11 years of age and relationship to a sedentary lifestyle.
- B.S.** ***Mississippi State University. May 1998.***
Major: Human Sciences, Food Nutrition and Dietetics Option
- B.S.B.A.** ***Mississippi College. August 1993.***
Major: Business Administration/ Mass Communications
- A.A.** ***East Central Community College. May 1991.***
Major: Liberal Arts Studies

Credentials

Dietetic Registration with the Commission on Dietetic Registration (R.D.): #872361
Licensed Dietitian, State of Mississippi, Mississippi State Board of Health (L.D.): #D0978
ServSafe Certification, National Restaurant Association Educational Foundation: #3659723
ServSafe Instructor, National Restaurant Association Educational Fountain: #1018862

Professional Experiences

Associate Extension Professor, Department of Food Science, Nutrition, and Health Promotion, Mississippi State University, Mississippi State, Mississippi, (2011-Present)

Duties include direction of statewide nutrition program and coordination of Mississippi State University Extension Service (MSU-ES) activities as they relate to the area of human nutrition. Assist field staff with development and dissemination of education programs relating to the area of nutrition. Provide technical assistance and in-service training to Nutrition and Food Safety Area Agents. Serve as site coordinator for the Extension Service rotation of Mississippi State University dietetic interns. Director of the MSU-ES ServSafe Food Safety Certification Course

Assistant Extension Professor, Department of Food Science, Nutrition, and Health Promotion, Mississippi State University, Mississippi State, Mississippi, (2006-2011)

Duties include direction of statewide nutrition program and coordination of Mississippi State University Extension Service (MSU-ES) activities as they relate to the area of human nutrition. Assist field staff with development and dissemination of education programs relating to the area of nutrition. Provide technical assistance and in-service training to Nutrition and Food Safety Area Agents. Serve as site coordinator for the Extension Service rotation of Mississippi State University dietetic interns. Director of the MSU-ES ServSafe Food Safety Certification Course.

Assistant Professor, Didactic Program in Dietetics Director, Department of Food Science, Nutrition, and Health Promotion, Mississippi State University, Mississippi State, Mississippi, (2004-2006)

Duties include recruitment and retention of undergraduate students in the area of nutrition. Serve as program director for the Didactic Program in Dietetics (DPD). Teach classes in the area of nutrition at the undergraduate level. Serve as academic advisor to students majoring in the area of nutrition. Serve as advisor to the Student Dietetic Association. Conduct research and participate in other scholarly activities as part of Mississippi Agricultural Forestry and Experiment Station (MAFES) appointment.

Family Nutrition Program Project Coordinator, Mississippi State University Extension Service, Mississippi State, Mississippi, (2001-2004).

Principal Investigator and project coordinator for a multi-million dollar grant funded by the United States Department of Agriculture—Food and Nutrition Service and overseen by the Mississippi Department of Human Services. Low-income residents of Mississippi that currently participate or who are eligible to participate in the Food Stamp program are the target audience. Supervise and evaluate three professional employees, two staff assistants, three graduate assistants, and five student workers who are housed at the state office. Work with other members of the Family Nutrition Program staff to develop curriculum and evaluation, develop an annual budget, and disseminate information to the target audience. Responsible for management of the grant and training of MSU-ES staff who deliver the program. Work with over twenty Family and Consumer Science Area Agents, over sixty county directors and forty program assistants to deliver the Family Nutrition Program in sixty-eight Mississippi Counties.

Family Nutrition Program Business Manager, Mississippi State University Extension Service, Mississippi State, Mississippi, (1999-2001).

Assisted in developing the annual budget and prepared supplemental documentation to funding agency as needed. Participated with the project coordinator in MDHS audits annually. Prepared bi-annual cost transfers for matching MSU employees and prepared other transfers as needed on the project.

Account Executive, The Natchez Democrat, Natchez, Mississippi (1994-1995).

Maintained territorial account list of over 250 local and area businesses. Responsible for meeting daily deadlines for advertising submission. Developed print advertisements and advertising schedule for different businesses in order to achieve most effectiveness from advertising dollar.

Account Executive, Love Communications Company, Monroe, Louisiana and Jackson, Mississippi (1993-1994).

Developed and maintained an account list of local and national businesses. Developed individually tailored advertising schedules utilizing twelve different cable television channels to achieve maximum effectiveness for advertisers. Assisted in the development and production of local television advertising spots for clients.

Research Areas of Interest

Nutritional Barriers facing low-income families
Childhood Overweight and Adult Obesity
Advertising and Food Choices
Effectiveness of in-school nutrition education programs
Food Safety in the Food Service Industry

Grant Awards Received External (\$8,206,173) Internal (\$91,687)

Fountain, B.J. "Mississippi Department of Education Office of Healthy Schools Nutrition Integrity Evaluation Grant". The Bower Foundation, Jackson, MS. \$1,500.00, 2009.
